Sub: Selection of team from Level I (Ideation) to Level II (Proof of Concept) of India's biggest Robotics competition: "ROBOFEST-GUJARAT 3.0".

Dear Sir / Madam,

Greetings from Gujarat Council on Science and Technology (GUJCOST), Gandhinagar.

It is our pleasure to inform you that the Ideation on designing "Rover Robot" in the India's biggest Robotics Competition, ROBOFEST- GUJARAT 3.0 Competition submitted by the team of U V Patel College of Engineering, Ganpat University, Mehsana has been selected from Level I (Ideation) to Level II (Proof of Concept). The team has been recommended for cash prize of Rs. 50,000/- for their creative idea of robot making.

We would like to congratulate you and the team for this creative achievement. The prize money will be transferred through RTGS to your institutional bank account. You are requested to submit your institutional bank account details to GUJCOST office on info-gujcost@gujarat.gov.in and via link https://docs.google.com/forms/d/e/1FAIpQLScl7Ovpx_puT8nMbcGUySn3R7ENbmoH8mbIXXZZL8Cv STqkrg/viewform?usp=sf_link .

You are kindly requested to take a note of the following points:

1. You have to work on your idea now and submit the PoC by 31st May 2023.
2. The guidelines for the further stages are available on: https://robofest.gujarat.gov.in/
3. You will shortly receive the mail with fresh login credentials for the PoC stage.
4. GUJCOST intends to file the provisional patent of your Robofest idea before releasing in the public domain. GUJCOST will take care of all the financial implications for filing the patent.
5. Kindly share the social media credentials of the institute, mentor and student team members and follow @infoGujcost for all updates and information on this program.
6. You are also requested to like, follow and share the social media updates among your institutional circles.
7. For any query/doubt regarding PoC stage, you can reach out to GUJCOST for support, guidance and mentoring.

We once again thank you and the team for the creative effort and convey our best wishes for the Level II (Proof of Concept) of this program.

Thank you and with best wishes,

Yours sincerely,

(Narottam Sahoo)
