Subject: Appreciation for Delivering an Expert Lecture on “Artificial Intelligence in Robotics”

Respected Sir,

On behalf of the Department of Mechanical Engineering, I wish to express our sincere gratitude for the expert lecture you delivered on “Artificial Intelligence in Robotics” to our Final Semester Diploma Mechanical students on 20th February 2026.

Your presentation provided a masterclass in the synergy between AI and modern robotics. By bridging the gap between theoretical frameworks and real-world industrial applications, you provided our students with a roadmap for future research and professional growth.

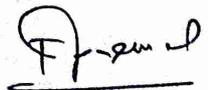

Key highlights that resonated with our students included:

- The seamless integration of AI with contemporary robotic systems.
- Practical insights into AI-driven innovations within the mechanical engineering sector.
- The interactive dialogue regarding future industry requirements and automation trends.

The clarity with which you navigated complex concepts ensured the session was not only informative but truly inspiring. We are deeply appreciative of the time and effort you invested in mentoring our students and enriching our academic environment.

We look forward to your continued guidance and hope for further collaborations in the near future.

With warm regards,

Principal,
Govt. Polytechnic
Vadnagar. (N. G.)
